

Woman's Christian Temperance Union.

Thursday afternoon at 3:30 o'clock a large number of the comrades of the White Ribbon gathered at the home of Mrs. Chalmers Hughes for the December meeting, and to bring a contribution for the annual box to the "Door of Hope."

The program differed somewhat from the conventional one laid down for our December topic, as there were so many things which had to be heard from. The devotion, in the absence of Mrs. Wells, was conducted by Mrs. E. P. Jones and was a Bible reading on "How We Should Teach the Christmas Spirit to Our Children," which led to remarks from several along this line. One called attention to the fact that the word Xmas should never be used instead of Christmas, for if we take the Christ out of Christmas what will be left to us?

At this moment little Frances Caroline Rogers, of Blenheim, who is a White Ribbon baby, was brought in by her mother, Mrs. Raymond Rogers, and introduced by Mrs. J. L. Mims to the interested assembly.

A reading on the subject of Reason was given by Mrs. J. L. Mims, that being the stated subject for December. Quite a nice contribution of packages were piled in the hallway to be sent to the Door of Hope, thus continuing the custom of many years standing of remembering this institution.

As it was near the Christmas time, the year book committee had thought of the Christmas Eve more than forty years ago, when the pioneer crusaders in temperance reform had braved the animosity of the whole world to launch the Holy Cause, and Mrs. D. B. Hollingsworth brought some sketches of the early crusaders. So full of pathos were some of these early incidents that there was scarcely a dry eye among the listeners.

This was followed by an enthusiastic report of the great progress of the prohibition movement as exemplified by the recent wonderful National Convention in Indianapolis, when four great states and the territory of Nebraska sent victory messages.

It was decided to send the Union Signal, the national organ of the Woman's Christian Temperance Union, to the ministers of the town as a Christmas gift.

The hostess served a delightful course, consisting Charlotte Russe and several kinds of cake.

The January meeting will be held on the 14th with Mrs. W. R. Swearingen, the date being a week later on account of the week of prayer for missionaries at the Baptist church.

F. A. M.

Death of Miss Paris Munday.

A newly made mound in the Sweetwater cemetery marks the resting place of Miss Paris Munday who died while visiting relatives in Harlem, Ga. Her body was brought home and interred in the family square within the shadow of Sweetwater church, of which she was an active member. Miss Munday made her home with her brother, Mr. John W. Munday, and her death will be keenly felt in the Roper's community. She will be greatly missed in the community where she was reared and passed her life. There yet remain of the immediate family one sister, Miss Fannie Munday, and three brothers, Mr. Pierce Munday, Mr. J. W. Munday and Mr. E. J. Munday.

Honor Roll of Rehoboth School For November.

Second grade: Lewis Coleman.
Third grade: Mary Winn, William Winn.
Fourth grade: Ellen Culbreath, Edward Gilchrist.
Eighth grade: Kathleen Gilchrist.

JOHNSTON LETTER.

(Continued from First Page.)

and music, and the luncheon served was beautiful in all its appointments, this being in courses.

Miss Eidson, of Dallas, Tex., is visiting Miss Emma Bouknight.

Mrs. A. P. Lewis spent a part of last week in Batesburg with her mother, Mrs. Timmerman, who has pneumonia.

Mrs. L. C. Latimer and Miss Sarah Carville have been visitors in Hartsville, with their niece, Miss Mary Lucia Mobley.

Mr. and Mrs. H. W. Dohy have moved into town from their farm, and a cordial welcome is extended them by every one. They are domiciled on West Main street.

Dr. J. D. Chapman preached on Sunday last at the Baptist church. For this month he is representing the Edisto Academy, and the cause that he presented was well received, and a good contribution was given for the Institution.

The last meeting of the Mary Ann Buie Chapter, U. D. C., was held with Mrs. E. D. Moyer, Mrs. James White presiding. The meeting was a most encouraging one, this being the largest attendance of any meeting during the year. All reports of officers and committees showed each one actively engaged. Four new members were added to the Chapter roll, Mrs. W. E. Lott, Edgefield; Mrs. Ida Stevens, Meeting Street; Mrs. Ollie LaGrone and Miss Eula Taylor. These were cordially welcomed into the Chapter. Mrs. Lott is a charter member of the organization, 1896, but after making her home elsewhere, she had her name withdrawn. It was her father, Capt. W. D. Allen, and father-in-law, Mr. William Lott, that brought about the organization of this Chapter. So it is a peculiar pleasure to again have her name on the roll.

The visit to the County Home on Thanksgiving was told of, and the service held for the inmates.

Plans for the Lee Celebration were discussed, and the matter was left with the historian, Mrs. O. D. Black. Several other matters pertaining to the Chapter welfare, were discussed.

The meeting was turned over to the historian, Mrs. Black, but she stated that as the reports from the General and State Convention were so full of informing matter for the members, she had arranged only a short program.

She gave several points of interest concerning the recent Convention in Union along historical lines. A flag will be offered next year for the best historical work, and she was very ambitious for the Chapter to again have the distinction of being the first in the State. She was a guest of honor at the Convention, and upon request, gave a paper on "How We Did It."

The report of the General Convention given by Miss Emma Bouknight, was very interesting. The Chapter was delighted to have her go, and thus not be represented by proxy. The report of the State Convention was told by the delegates, Mrs. M. T. Turner and Miss Zena Payne. Mrs. White, who attended, also gave what most impressed her. Awhile was spent socially, and the hostess, assisted by Misses Cleve Moyer and Maud Sawyer, served ices and cake, which was greatly enjoyed.

Mr. Will Sawyer attended the Southern Commercial Congress in Norfolk, Va., on Dec. 11, 12 and 13th, going as the representative from South Carolina. He was appointed by Gov. Manning.

Spelling Bee a Success.

The spelling bee which was given in the court house Friday night by the Daughters of the American Revolution was well attended. Several hundred, besides the large number who entered the contest, assembled to witness the spelling. Mr. E. H. Folk acted as schoolmaster, deporting himself with the ease of a veteran teacher. The referees were Prof. Lyon and Mr. Thurmond, who decided all matters in dispute. It was a surprise to many that Edgefield has such a large number of good spellers, several hours being required to "spell them down." The record showed that the capital prize offered for the best speller was won by Miss Annie Clisby. The best speller among the ladies was Mrs. J. G. Edwards and there was a tie between Hon. B. E. Nicholson and Col. L. W. Cheatham for the honor of the best speller among the men, so they cut the big cake offered as a prize. Among the graded school pupils the honors were won by Isabelle Byrd and Benjamin Cogburn, and Miss Nita Ouzts and Strom Thurmond won the high school prizes.

The occasion was exceedingly pleasant for all who attended, and the "Daughters" added about \$35 to their treasury.

Agents Wanted at Good Pay.

F. Lee Sheppy, 8th floor—243 17th St., New York City, General Sales Manager of the largest concern of its kind in the world, wants three or four men in Edgefield County and several men in adjoining counties, to work for him spare time or all the time. He can use only those who have a rig or auto. Work is very pleasant and no previous selling experience is necessary. Work consists of leaving a wonderful new household necessity in the homes on free trial. Tests at more than thirty of the leading Universities and the Government Bureau of Standards show this new article to be four times as efficient as article now in general use in this section.

Article is needed in every rural home and benefits every member of the household, bringing cheer, comfort and happiness into the home. Not necessary to be away from home nights. Pay from \$6.00 to \$15.00 per day according to ability and number of homes visited. In writing Mr. Sheppy, mention what townships will be most convenient for you to work in; what your regular occupation is; your age; married or single; how long you have lived in the community; what kind of a rig or auto you have; whether you wish to work spare time or steady; how much time you will have to devote to the work; when you can start, and about how many homes are within six miles of you in each direction. This is a splendid opportunity for several men in Edgefield County and counties adjoining to make good money, working steady or spare time. Some of the field men earn \$300.00 per month; one farmer earned \$1,000.00 working spare time only. No investment or bond necessary.

Wouldn't Take \$10,000 For Good It Did Her.

GEORGIA WOMAN GAINS TWENTY POUNDS ON FOUR BOTTLES OF TANLAC.

SUFFERED 15 YEARS.

DOCTORS HAD TOLD HER THAT NO MEDICINE WOULD DO HER ANY GOOD.

"I have gained twenty pounds since taking Tanlac and my improvement in every way has been so great that when I stand before the looking-glass I am actually amazed and hardly know myself," was the remarkable statement made by Mrs. Elizabeth Jennings, of Hepsibah, Ga., to the Tanlac representative at Howard's Drug Store, at Augusta, Ga., a few days ago.

"Fifteen years ago," continued Mrs. Jennings, "my health began to fail, and the more medicine I took the faster I seemed to go down hill. My troubles multiplied until they were many, and my condition became complicated and very serious and no one seemed to understand it. My stomach was in such bad shape I could not digest anything, and what I would eat seemed to poison my system."

"My blood was thin and my arms were covered with spots. My back about my kidneys ached and hurt me dreadfully, and I was told I had spinal effection. The rheumatic pains all over my body were so awful they were hard to bear, and my head ached me constantly. I lost flesh and strength until I got so weak I could not walk to my garden without help and I kept going down until I was simply a physical and nervous wreck, and I believe I was all but dead. My condition was too awful to even describe and I cannot tell you half of my suffering."

"When a day would close on my miserable existence I could think of nothing but another day of suffering tomorrow, and I was so nervous and racked with pain I could not sleep."

"I wanted to live, and my husband spent thousands of dollars trying to get me well, but nothing did me any good. The doctors said there was no medicine that would help me. Finally, I became so weak and out of heart I prayed to die."

"When I read about the wonderful help other people were getting from Tanlac I bought a bottle and began taking it, and I began to improve at once. I have taken four bottles now, and honestly I would not take ten thousand dollars for the difference in the way I feel now and the way I felt the day I bought my first bottle of Tanlac."

"I can eat now and enjoy my meals, and when night comes I can lie down and sleep like a child. I do not have any more trouble with my kidneys and the hurting I used to have in my back has left me and all the rheumatic pains have gone."

My blood has thickened up and seems to be in good condition and those ugly spots have left my arms and my head does not ache me any more. I do not know what all was the matter with me, but I have been relieved of all my suffering and, as I have already said, I gained twenty pounds in weight besides.

"Tanlac has made a new woman of me and I feel better than I have since I was sixteen years old."
